We kindly request that you respond to this email within the next 24 hours to confirm that you are in agreement with the following:

1. Agreement to Conditions: a) All authors of the manuscript have read and agreed to its content and are accountable for all aspects of the accuracy and integrity of the manuscript; b) The submitted article must be original work that is not being considered or reviewed by any other publication and has not been published elsewhere in the same or a similar form.

2. Author-Related Information: Please provide us with the names, e-mails, and affiliations of all co-authors. If your ORCID is registered, please provide us with the 16-digit identifier, as this improves recognition for you and your research.

3. Suggested Reviewers: We encourage you to suggest 4-8 potential peer reviewers for your article. While we cannot guarantee that your suggested reviewers will be invited to review your manuscript, this can help speed up the peer review process. When suggesting reviewers, please keep in mind that you do not need to know them personally and should suggest those who are knowledgeable in the subject matter. (Should you truly not have suitable reviewers to recommend, please rest assured that this request is not mandatory.)

Thank you for your cooperation in understanding and agreeing to the above terms and providing the necessary information. We look forward to hearing from you soon.

If you have any questions, please feel free to contact us.

Best regards,

Joanna Cheng
